

Axeria is a French insurance company, founded in 1992 and headquartered in Lyon.

Axeria is 100% owned by a worldwide insurance and reinsurance leader, Somers Group which is itself 40% owned by Arch Re.

Specialist in non life insurance Axeria is able to quickly develop specific and strategic partnerships, in France and in Europe.

Benefiting from an excellent rating as well as the support of reinsurance leaders, Axeria aims to be an **agile and technical insurer**, able to deploy insurance solutions to the French brokers, but also to managing general agents (MGAs) and insurtechs in continental Europe.
